The General Assembly will meet at the Amari Rincome Hotel in Chiang Mai. www.amari.com/rincome A very pleasant and charming hotel, where we have been able to negotiate very reasonable rates.

FIRST GENERAL ASSEMBLY IN ASIA

The Missions Committee and Executive Committee encourage you to invite and sponsor Asian leaders from the churches you have established through mission outreach in the region. We emphasize that this is a conference for church leaders and encourage you to invite and sponsor the core leaders in the Asian churches. As we naturally do not know them, it is your responsibility to introduce, sponsor and invite them to IFFEC and the General Assembly. We are looking forward to welcome many prominent Asian leaders in Chiang Mai.

You will receive more information with details of program etc. in February. In the mean time please feel free to contact me, if there is information you need before then.

May you experience Gods blessing and guidance in your daily work for the extension of His Kingdom.
